CREATING A SMART HOME FOR YOU

AYANA HOMES WILL BE INTELLIGENT,
USING STATE OF THE ART TECHNOLOGY TO
PROVIDE A HIGH LEVEL OF INTERACTION
BETWEEN YOU AND THE SYSTEMS
YOU HAVE WITHIN YOUR HOUSE,
GUARANTEEING CONTROL, SAFETY AND
ENERGY SAVING.

Ayana has appointed Illusion as the preferred supplier for 'Smart Home Automation Systems'.

The Smart Home Systems provided by Illusion can control lighting, heating air-conditioning, audio and blinds solutions of your new place in Ayana.

ABOUT ILLUSION

Established in 2006, Illusion is the leading name on the Costa del Sol offering cutting-edge automation smart home system as well as being the official representatives for global brands such as Lutron, Airzone, Bang&Olufsen, LG, Sonos, B&W, Sonance and Sony. Their multi-lingual team of more 50 experienced professionals offer a highly personalised service including consultancy, design, installation and maintenance of lighting projects, audio-video, control and intelligent systems.

THE SMART HOME SYSTEM

The smart home system in Ayana can be easily and simply controlled the following ways:

1. Via the Lutron App on your phone or tablet either in your house or on the other side of the world.
2. Via the wall mounted keypad and thermostat.
3. Via voice control using a home control device such as Apple HomeKit, Google Assistant or Amazon Alexa.
4. You can also control your home using more traditional ways such as light switches, or television remote control.

ABOUT LUTRON

The smart system in your Ayana home is controlled by a Lutron App.

This award-winning market leader boasts almost 50 years of innovation and has advanced the technology of lighting control while maintaining its top market position by focusing on exceptional quality and design. Lutron was recently announced as an award winner for light, shade and temperature control by the 'Forbes Travel Guide'.

BENEFITS OF THE LUTRON APP

- ✓ SEAMLESSLY INTEGRATE TECHNOLOGY INTO YOUR AYANA HOME
- ✓ CONTROL LIGHTING, CLIMATE CONTROL, AUDIO-VIDEO AND BLINDS AT THE TOUCH OF A BUTTON
- ✓ WIRELESS CONTROLS CREATE AMBIANCE AND SAVE ENERGY
- ✓ ENJOY MORE PRIVACY AND PROTECT VALUABLE FURNISHINGS WITH AUTOMATED BLINDS
- ✓ MANAGE YOUR HOME SYSTEMS REMOTELY, GUARANTEEING PEACE OF MIND

“Hey Siri, turn off the living room lights”

“Hey Google, reserve a flight to Japan”

“Hey Alexa, find a recipe for Paella”

VOICE CONTROL

Lutron is also compatible with voice control of our lights and other installations. The Wireless Smart Bridge works with Amazon home control devices, Sonos sound system and more.

Thanks to the collaboration with Google Assistant, this product can look for information and answer questions, making your life easier:
